BOARD FOR CORRECTION OF NAVAL RECORDS

Docket No: 2698-99

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 March 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNO memorandum 7220 SER N130C3/202-99 of 10 November 1999, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Record

1. Per your request, the following recommendation concerning enclosure (1) is provided.
2. Enclosure (1) indicates a request for reimbursement of leave lost when the petitioner transferred to the Fleet Reserve on 31 JAN 98.
3. Upon review of the petitioner's Master Military Pay Account (MMPA), it was noted that he had already sold 60 days LSL during his career. U.S.C., Title 37, §501 states that a member may only receive payment for a total of sixty days accrued leave throughout a career, effective February 10, 1976. No Service Secretary waiver exists for this matter.
4. Additionally, enclosure (1) does not contain sufficient information to support the petitioner's claim that he lost leave due to being put on legal hold prior to his discharge. Furthermore, he failed to submit any documentation to prove that his Court-Martial trial was officially set aside.
